

RRFC Region 6, 2018 - 2019

The importance of Grant Management

- a valuable volunteer resource on Foundation programs and financial matters and serve as a vital link between Rotarians at the club, district, and regional levels, and also between Rotarians and Rotary staff.
- RRFs share information about the Foundation with district governors, governors-elect, and district Rotary Foundation chairs. District leaders, in turn, share this information with club members.

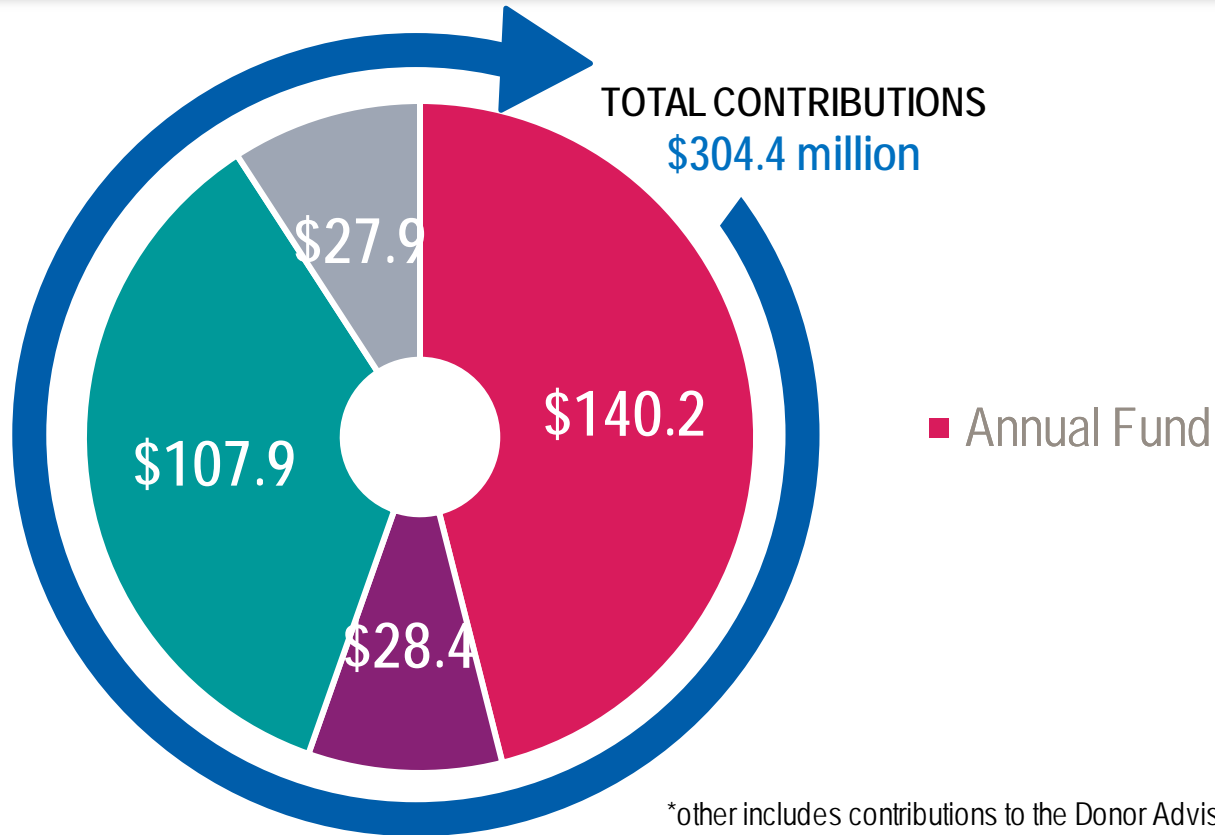

- In collaboration with your End Polio Now zone coordinator, promote World Polio Day (24 October) and other polio-related events throughout the year to maintain focus on polio eradication; encourage district leaders to increase giving to PolioPlus.

- Continue to inspire clubs to contribute at least \$100 per capita to the Annual Fund and to encourage all Rotarians to leave a legacy to the Foundation through the Endowment.
- Assist district chairs in helping clubs find international partners, complete community assessments, and use all of their District Designated Funds (DDF) each year.

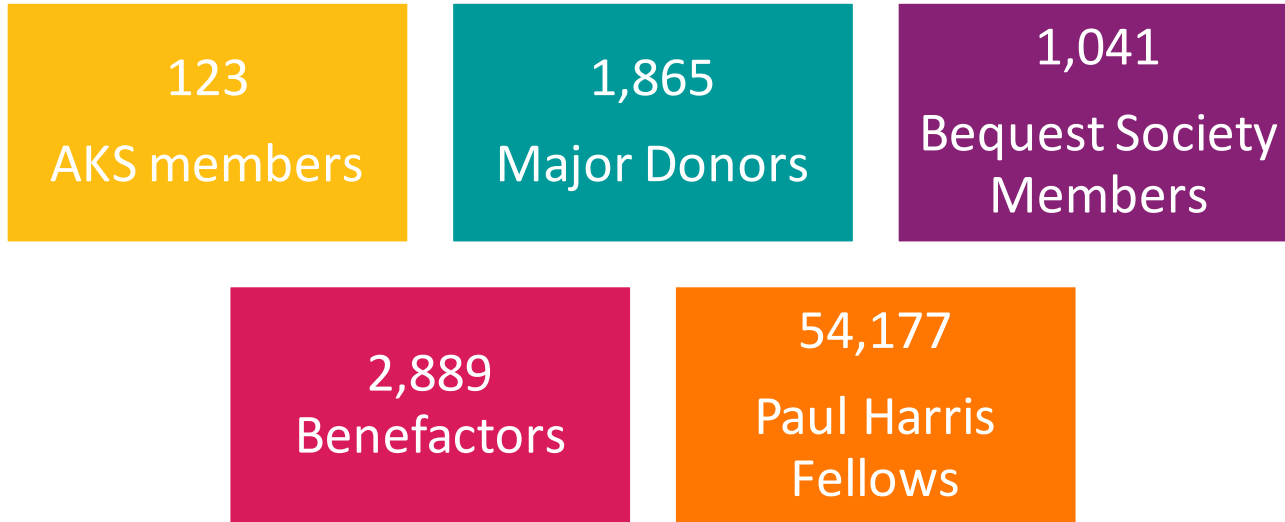

- Encourage alumni participation in club and district service projects, global grants, events that celebrate alumni, and networking opportunities

TRF CENTENNIAL YEAR UPDATE

CONTRIBUTION OVERVIEW 2016-2017

Recognition Summary

PARTICIPATION

| | Percentage of Rotarians Contributing | Total Giving per Rotarian |
